Note 1: According to Article 3, Paragraph 2 of the Current Service Cost, among foreign students who will be registered within the quotas for accepting students from abroad and who have obtained residence permits in Turkey for themselves and their families; if multiple students from the same family continue their education at state higher education institutions, a 25% discount will be applied to the tuition fees determined for these students.

Note 2: According to Article 2 of the Temporary Provisions of the Current Service Cost, the provisions of Article 3, Paragraph 1 will not be applied to Syrian students who enrolled before the 2021-2022 academic year. For these students, the contribution fee for the daytime education will continue to be covered by the budget of the Directorate of Turks Abroad and Related Communities. For the evening education however, they will be subject to the standard tuition fee regulations.

Note 3: According to Article 3 of the Temporary Provisions of the Current Service Cost, in the 2024-2025 academic year, the tuition fees for associate degree, undergraduate, thesis-based master's, and doctoral students whose family or themselves reside in Gaza, Palestine, and who continue their education in formal programs at any state higher education institution will be covered by the government.
